## SCHOOL COUNSELLOR.

Mrs Wendy Garnham is Franklin's school counsellor. She works at our school every Tuesday and some Wednesdays. She provides academic, social and personal

counselling to students and is available to meet with parents to discuss student issues.

### Counsellor Tip - Encouraging Children

The messages we send children stay in their minds and influences the way they think about themselves and how they behave. If we tell children often enough that they are inept and inadequate, they will believe it. However, through the use of encouragement, parents can promote self confidence in their children.

- Jobs and responsibilities give children the message "I know that you can do this."
- When correcting a child, focus on strength first. "I like the way you write your letters. Now let's concentrate on your spaces."
- Encourage children to say positive things about themselves and discourage them from putting themselves down.
- Don't compare children with their brothers or sisters.
- Don't criticize with statements like "You're so stupid" or "Why can't you get it?"
