A sea of brightly coloured and styled bandannas was an interesting sight to see at Franklin Public School during National Bandanna Day. The day was held by the SRC as a fun way to raise awareness and funds for young people living with cancer. Miss Page and the SRC would like to extend a huge thank you to everyone who supported this very worthy cause!

Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$63 for school-aged children and \$46 for preschoolers (prices exclude pool entry fee).

For more information or to make a booking, phone 13 13 02
