Week 4 Term 4

*We are all looking forward to welcoming our students' grandparents on Tuesday. It will be a wonderful opportunity to hear about their experiences at school and for them to experience their grandchildren's classrooms. Wednesday will see our excited 2014 kinder students visit for their third Orientation, while their parents will hear about our very effective PBL welfare system. Next week students from Years 3 to 6 will have the opportunity to experience Shakespeare in a professional performance aimed at their age.*

## BELL SHAKESPEARE PERFORMANCE

Fairies, mechanicals, lovers and one magic potion gone wrong – welcome to the world of A Midsummer Night's Dream. Charting the course of Shakespeare's hilarious romantic comedy from start to finish, *Midsummer Madness* offers key insights into the conventions of Shakespeare's theatre. The Players will transport our students to the interconnecting worlds of the lovers, the fairies and the mechanicals, combining key scenes with modern commentary (and some awesome magic tricks).

**Bell Shakespeare** is a professional theatre company who have performed in major venues in Sydney, Melbourne and across the country.

The Chris O'Brien Lifehouse at RPA

Hello my name is Amelia, 9 weeks ago I was born in Tumut with **Spina Bifida**; a shock, and an emotional & upsetting time for my parents. I will need a operation after Xmas so that I may have some chance of a more tolerable life, hopefully heading towards a normal & pain free. I would like to help my parents achieve this for me without the extra worries of how they can possibly come up with money to provide surgery & ongoing care that I will need for the rest of my life. Please open your hearts and give a little so I have a chance, just like as all children like me deserve. Donations can be made at the Westpac Tumut account name Amelia Jeffery, Thank you Amelia, Nan & Family.

Every bit helps and is greatly appreciated

## Sport and Recreation's Swim and Survive starting soon

Australian summers usually involve plenty of fun in and around the water, but no parent can forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs give wonderful results, and are great fun as well! Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW, including somewhere near you.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$63 for school-aged children and \$46 for preschoolers (prices exclude pool entry fee).
