P & C

Our very hardworking P&C met last week to hold their annual budget meeting. This is a small but extremely hard working group of parents who assist in the running of the school canteen, fundraise for the school and generally work hard to promote our school in the community.

They very generously handed over in excess of \$20,000 to the school. This money is used to support all students learning. We will be subsidise the 2014 Footsteps dance program and the gym program. It will purchase new lunch seats for classes and assist in updating technology across the school.

I would urge all parents to become involved with the P&C, if you are able to assist in any way your efforts will be greatly appreciated. They have worked hard to provide quality programs, resources and equipment for all students at Franklin.

INTENSIVE SWIMMING PROGRAM

- Lessons started today and go for 2 weeks.
- Time - 12:30pm
- Time - 1:30pm
