## COMMUNITY NEWS

Nutrition Snippet

### The simplest way

to work out what 2 fruit & 5 veg looks like.

Eating 2 serves of fruit and 5 serves of vegetables every day will help keep you and your children healthy. But what does a serve look like?

A serve of fruit is 150 grams or:

1 medium fruit (e.g. apple) or  
2 small fruit (e.g. apricots)  
or 1 cup of chopped or canned fruit

A serve of veg is 75 grams or:

½ cup of cooked veg or  
½ medium potato or  
1 cup of salad

So as an adult, eating just 2½ cups of cooked vegetables will give you your daily recommended intake. Try spreading it across different meals to make it easier to reach your daily target.
