PARENTS HOW TO REGISTER FOR A FREE TENNIS SHIRT

Our school has been fortunate enough to partner with Tennis Australia's national grassroots starter program, MLC Tennis Hot Shots. As part of this program our school has received an equipment pack worth over \$1,500. In order to gain further equipment we are asking that all parents go online to the MCL Tennis Hot Shots website to redeem your child/s t-shirt. For every t-shirt that gets registered the school gets a \$2 rebate back to help purchase additional equipment for our kids.

To take advantage of this offer simply

1. Log onto MLC Tennis Hot Shots website <http://hotshots.tennis.com.au/>
2. On the left hand side of the website click the **Registered Players, Claim Your Free T-Shirt** box.
3. Scroll down the page and on the right hand side it states venue postcode. Please type in '2720' and click the blue search button.
4. Scroll down the page until you find our school name 'Franklin Public School' and click the blue select button, the school will then appear in a grey colour.
5. Now scroll down the page and complete all the fields. Please note that in the phone field you need to include your area code before your phone number so for example 0298765432 with no spaces.
6. Once all fields have been completed your child/s will receive their t-shirts in late June this year.

We thank you for your support towards the program and of course helping us to gain additional equipment.

RECONCILIATION WEEK - 27 May - 3 June

National Reconciliation Week celebrates the rich culture and history of the Indigenous Australians. This year's theme is **'Let's Talk Recognition.'** It's the ideal time for all of us to join the reconciliation conversation - in our schools, in our communities and in our homes to do something meaningful to celebrate and respect Aboriginal culture so that reconciliation is a shared venture.

COMMUNITY NEWS

Making music together

Music education produces many benefits, including strengthening children's abilities in reading, maths, and verbal intelligence. New research suggests it may also teach something less tangible, but arguably just as important - the ability to empathise.

Bouncing back

Does your child bounce back from disappointment, or do they need to learn to be more resilient - and how do you teach them, so they can deal with life's challenges?

SCHOOL AS COMMUNITY CENTRE NEWS

Last Thursday, we had an information session on the Importance of Play and Attachment, held at Franklin School Hall, organised by Families NSW Network Interagency. We also offered free child care for this event and the response we received was fantastic. Our guest speaker, Louise Whitton, who is an early childhood practitioner in Wagga Wagga, came along and blew the audience away. She made us think about a lot of important things in children's lives including their development and also explained the most valuable toys a child can have, is nature. Let your children go outside and run through the leaves, play with sticks, climb trees and splash in puddles.

A child's imagination is amazing!

So thank you all that attended, we are hoping to run something similar within the next 6 months.
