Week 2 Term 3

*Franklin students have made a fantastic start to the new term. Classrooms are busy and productive working environments and the playground echoes the laughter and happiness of friends catching up on holiday happenings. Students across the school have been working really hard to earn PBL tokens. We have reached the second level on our reward box, meaning students will receive extra recess time each morning next week. This is a great achievement and all students should be proud of themselves.*
