Edition 8

Week 8 Term 1

Yesterday we said goodbye to the Year 5 and 6 students who were heading to Milson Island. They were all very excited to be leaving and we all hope they have a great week. We anticipate that they will arrive back in Tumut between 5 and 5.30 on Friday afternoon. We will confirm the approximate time on the school sign before the end of the school day.

Last Friday we had AusKick come to Franklin to run a skills program from Kindergarten to Year 6. The students had a great day developing their football skills.

LUNCH BOX – PARENTS PLEASE HELP

Students need nutritious food to do their best learning at school. A healthy lunch box will include fruit and sandwich/es and only ONE treat.

Unfortunately an increasing number of students have a lunch box with only TREATS - chips, soft drink and processed food like packets of Tiny Teddies or roll ups.

At school, **Recess** and **Lunch** are times for eating and for being active. There needs to be a balance with the amount of food placed in the child's lunch box to ensure the child is not hungry and also allow the student time to play.

Nutrition Snippet

The simplest way

to include all 5 food groups in a Lunch Box

A well packed lunch box will provide your kids with the energy they need to learn and play. Remember to include lunch box items from the 5 food groups:

Breads and cereals: Try wholemeal bread, wraps and pita. Or try pikelets, rice cakes or homemade muffins and slices.

Fruit: Should be a lunch box staple as its high in fibre, vitamins and minerals. Serve fruit in fun ways: try fruit kebabs or fruit in jelly.

Veggies: Pack carrot and celery sticks with hummus or salsa, or a cold zucchini slice.

Low Fat Dairy: Cheese slices, yoghurts and custards are all great lunch box items.

Lean Protein: Include a variety of sandwich fillings: cooked chicken, tuna, egg or roast meat. Legumes like red kidney beans and chickpeas are a good source of protein and fibre.
