Edition 15

Week 4 Term 2

Well done to all Year 3 and Year 5 students who completed the NAPLAN tests last week. We look forward to receiving the results at the end of Term 3.

SPORT EVENTS

- Today students competed in the Boys and Girls Touch Football trials at Gundagai
- A team of students from Franklin will represent our school at the Highlands Cross Country event on Thursday at Gundagai
- Friday sees our Mortimer Shields teams competing at Tumut.
We wish our representatives good luck for their endeavours.

WALK SAFELY TO SCHOOL DAY

This Friday 23rd May is our Walk Safely to school day. All students and families are asked to walk or commute safely to school to reinforce safe practices for pedestrians. Upon arrival at school many families have ordered breakfast to enjoy before our Walkathon around the back oval.

Orders have now closed for the breakfast, but walkathon sponsorship forms are still available from the office if anyone needs one. Remember there will be a special draw for all students who return sponsorship forms with at least \$20 in sponsorships collected. The lucky student whose name is drawn out will receive a \$50 voucher for a Tumut business of their choice.

Welcome to Franklin

PBL

We are 'Achieving' at assembly lines when we face the front and listen carefully.

We show 'Respect' by having our lips locked and look at the person talking.

We are being 'safe' by standing up straight with our feet together.

HEARING SCREENINGS

On Tuesday and Wednesday of this week Hearing Screenings for all students in Kindergarten, all Aboriginal students and other nominated students will take place. Please return the permission notes on Tuesday if you have not done so already. Notes are available at the office if you have misplaced yours.

SELWYN SNOWFIELDS

Selwyn Snowfields will again be running their RADS (Racing Development Squad) this winter. It is a great opportunity for students to progress in their skiing ability and develop racing skills for use in interschool comps and race meets. Skiers should be of intermediate skiing level or above and be ready for a fun time. We use fully qualified instructors to ensure you get the most out of the experience. It will be run on set days throughout the school holidays and then on weekends during the season. Each day will consist of two 2 hour lessons. For dates, cost and more information please check out our website www.selwynsnow.com.au or call 64549488.

MENTAL MATHS STRATEGIES

We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we're helping them to look for patterns. All this builds a good sense of "number" which means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them. School A to Z has a lot of resources, including help sheets on mental maths strategies, here :

5 G in Action

5G have been learning about ANZAC day since Miss Gould visited Gallipoli in the school holidays.

We listened to the stories of the ANZACs, looked at photos and interpreted maps to understand what these soldiers went through.

We have been making some blending artworks with silhouettes to illustrate the importance of ANZAC day to Australian's.

We even created acrostic poems to show what ANZAC day means to us.

In maths lessons, we have been learning about volume and capacity.

We love working with hands-on materials!

STUDENT SAFETY – PARENTS PLEASE HELP

To remind parents of procedures to maximise the safety and welfare of all students. Parents should:

- Get out of the car and come into the school grounds to collect their child/ren.
- Use the cement pathways to enter school grounds from Capper and Forest Street.
- Supervise students, including toddlers as you return to your car. Children who run ahead are at risk.
- If you wish to have a chat, ensure your children are under your direct supervision.

Please don't

- Park in either of the staff car parking areas. Walk through the car parks to get to your car, always use the cement walkways.
