Week 8 Term 2

Teachers have been working hard to complete student reports. They will be sent home this Friday, 20 June and teacher/parent interviews will be held during next week. We look forward to sharing your child's achievements with you during this process.

This is my last week as Relieving Principal as Mrs Stuckey will return from leave next Monday. In what has been an extremely busy term I would like to thank everyone for their support during my period as Relieving Principal.

LANTERNS ON THE LAGOON WORKSHOP

Selected students from Years 3-6 have been offered the opportunity to attend a workshop conducted by Australia's leading lantern maker, Kylie Jackson on Thursday 17 July, 2014. The students will be instructed on how to make a lantern from the frame to the complete papered and decorated lantern. We only have 25 places available for students to attend this workshop. If your child has been given a note please return the note and payment to school as soon as possible or let us know if your child will not be attending the workshop so we can offer a place to another student. The workshop will be held at Tumut Public School Hall. Travel will be by bus and the cost is \$20 per student. **This activity is not covered by Franklin Cover.**

PARENT/TEACHER INTERVIEWS

School reports will be issued at the end of this week and parent/teacher interviews are scheduled for the next week. Interview request notes were sent home to parents last Thursday. If you would like to arrange a parent/teacher interview please complete the request slip and return it to school as soon as possible. Interview times will be allocated on a 'first in' basis. You will then receive a confirmation note which will confirm your interview time.

BASKETBALL

Our boys and girls basketball teams played the first round of the PSSA knockout last Friday. The boys played a fast paced game and had success winning 30 to 23. The girls had a great game and tried hard to overcome their taller opposition but lost 36 to 10. A big thanks to parents who provided transport and cheered our team on. Special thanks also goes to Mrs Armstrong for coaching the teams and to the referees Lyn James and Jason Beavan. Students who took their basketball singlets home are asked to return them to school as soon as possible please.

Nutrition Snippet

The simplest way

to get your kids loving Fruit & Veg.

Eating plenty of fruit and veg can help keep your children healthy, but sometimes it's hard to get them to eat enough. Children often copy their parents, so our first tip is to make sure you eat enough too!

Other tips are:

- **Put your kids in charge.** Let them choose and wash fruit and veg for their lunch box; if they're able to, let them peel, cut or grate it.
- **Keep it interesting.** Cut fruit and veg into a variety of small shapes so it's easier and fun to eat.
- **Make ready-to-eat snacks.** Keep cut fruit and veg in the fridge for the kids to grab and eat with hummus or yoghurt.
