Oxley in Action

This term Oxley have been working very hard on building resilience and developing sportsmanship by participating in daily fitness activities with 5/6 Blaxland!

Students have taken turns to decide on the activities they partake in as well as set them up, pack them up and referee each game.

Throughout term three and four 5/6 Oxley have been lucky enough to engage in virtual conferences with a Primary School in South Korea! We have learnt lots of different things about their culture, landmarks, holidays and language.

Blaxland students have been given free artistic license this term to create their artwork out of whatever they like.

Imogen, Sophie, Sierra and Leneisha have chosen cake decorating as their art form. The girls have baked and then decorated some excellent looking cakes.

Because of Covid restrictions the girls are unable to share their creations with the school however we think their cakes look fantastic! Well done girls!

For example, in a split household, should both parents require a copy of their child's report.

If this is the case please fill in the slip below and send it back to the school office with your child as soon as possible.
