Tumut Community Pantry

Tumut Community Pantry is a Combined Churches initiative which is run by volunteers and provides food packages at a reduced cost for those who struggle financially. Christmas food hampers are a part of this initiative and the volunteers would like to be able to make up 100 bags.

As part of this program Franklin students are asked to bring in 1 item of non-perishable food or other household product that is in use by date to be donated to the Community Pantry.

Items should be dropped in to the office. Please consider sending something in for this terrific program.

Cricket Schools Cup at Franklin

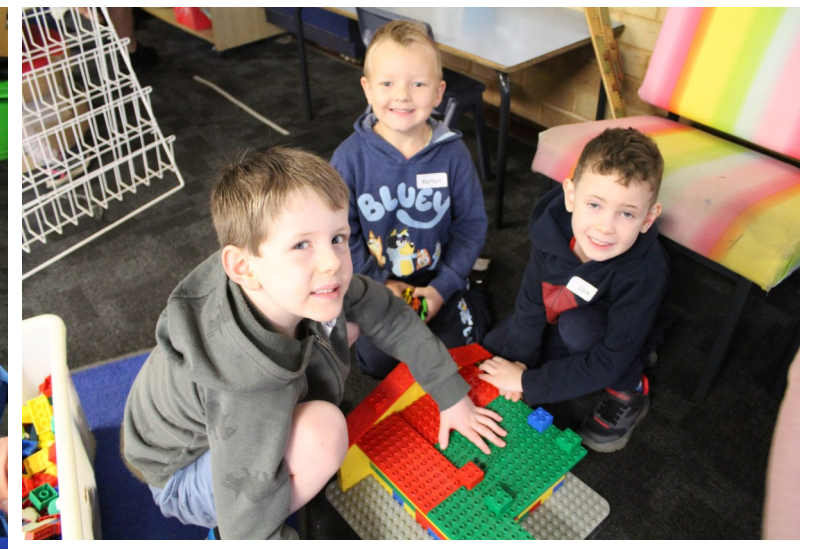

School band is on every Wednesday. Please ensure your child has their band instrument at school on Wednesday.
