**TERM 4 | Monday 23rd November 2020 | ISSUE 7**

## Week 7

### Franklin Swim

**School** begins next week, Week 8. All students who are participating should bring their swimmers, towel, and a plastic bag to carry their wet items home in. Students must also have their hat and sunscreen on. We look forward to a dip in the pool now the weather has warmed up.

### P&C Raffles

Franklin P&C are holding **two raffles** as their Xmas Fundraiser this year.

The first raffle is for **2 vouchers**, first prize being a \$400 voucher from Ground Up Tumut, second prize being a \$200 voucher from Tumut Toyworld. The second raffle is for **3 x Xmas hampers**, being first, second and third prizes. Tickets to be sent home shortly.

|                 |   |
|-----------------|---|
| <b>Banks</b>    | Henry Dowling, Alexis McGrath, Sophie Cobden, Patrick Pollack   |
| <b>Cook</b>     | Brielle Adams, Izack Palframan-Burn, Emily Stuart, Malyc Baker  |
| <b>Bass</b>     | Beau Ryan, Peppa-Jane Burkill, Kenzie Smith, Oliver Ridley      |
| <b>Flinders</b> | Billie Crampton, Patrick Stuart, Isabella McGrath, Ryley Zerafa |
| <b>Hume</b>     | Sophia Lucas, Josh Paton, Ruby Piper, Lochie West               |

### STUDENT OF THE WEEK

|                 |                  |                 |
|-----------------|------------------|-----------------|
| <b>Banks</b>    | Aiden Provan     | Lacey Martin    |
| <b>Cook</b>     | Darcy Roddy      | William Smith   |
| <b>Bass</b>     | William Matthews | Tessa Te Whare  |
| <b>Flinders</b> | Deut Tully       | Scarlett Miller |
| <b>Hume</b>     | Emily Warn       | Rose Pollack    |

### POSITIVE BEHAVIOUR FOR LEARNING AWARDS

|                    |                  |                |
|--------------------|------------------|----------------|
| <b>ACHIEVEMENT</b> | Kiarlee Anderson | Deut Tully     |
| <b>RESPECT</b>     | Chaise Bradshaw  | Ethan West     |
| <b>SAFETY</b>      | Patrick Corcoran | Alexis McGrath |

## Chisholm in Action

In Chisholm we have been researching poisons in cigarettes and the effects of smoking along with the benefits of quitting. We then made posters about this.

In Visual Literacy students were grouped together to create a short story on school values which will be published and used in our Kindergarten classes.

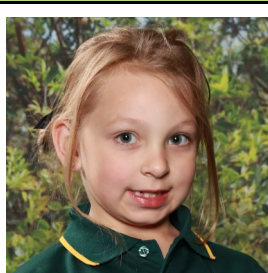

## FRANKLIN STARS — Week 7

Students who follow our PBL school values of:

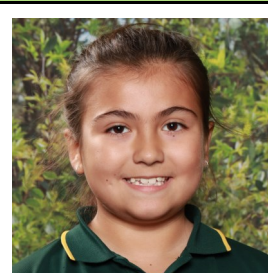

**RESPECT ~ ACHIEVEMENT ~ SAFETY**

**Darcy  
Cook**

**Skylar  
Hume**

**Alejandra  
Macarthur**

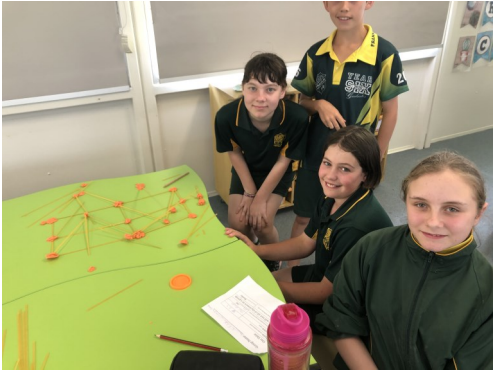

Chisholm students enjoyed Bike & Scooter Day immensely.

**TOGETHER WE LEARN**

# CELEBRATING FRANKLIN!

## National Science Day

Throughout Friday we went to 4 different classes and participated in different Science experiments. This Science Report was compiled by **Beau Rossiter** and **Will Turner** from Oxley.

**Beau:** The class I started at was Miss Rampling's class. We made DIY lava lamps by using a half full water bottle, cooking oil, Hydralite tablets and food colouring. We tested what glitter would dissolve. The reaction with the water and the Hydralite tablet was that the water started to bubble and make the water fizz.

**Mr Crane:** We created little figures from plastic cubes, and then we built a cocoon to protect our figures. They were given a drop test from head height and those that survived won! From our class, only Cordell and my figures managed to survive the test. Gravity sure pulled us down.

**Will:** Ms Ingold was hosting 'what group could build the strongest tower' There were marshmallows, playdough, tape and blue tack, you had a lot of sticks of uncooked pasta. I was on the marshmallow and we got the second strongest tower. It managed to survive a severe earthquake!

**Mr Woodward** had 4 learning stations: the first 1 was that you had to fill up a zip lock bag up with water and poked pencils through it and you had to try to get as many as you can. The second station was you had to create a vortex with a bottle of water and the water had glitter inside it. There was a station in which we painted with 'invisible ink'. The final station used a glass plate and a whiteboard marker to create a floating drawing.

## Franklin Bike & Scooter Safety Day
