this great incentive.

Stage 2 Parents:

There are limited spaces
left for the Canberra
excursion in May. Please
return your child's note
with the deposit money
as soon as possible.

Student Voice

Maggie Skein and Will Driscoll are writing for Student Voice.
This week our intrepid reporters visited some of their favourite
spaces in the playground.

Maggie:

Franklin has got a great big playground area, with lots of spaces to play and learn in. My all-time favourite space would have to be the senior basketball court. Basketball and netball are my favourite sports so I spend a lot of time on the basketball court.

My Oxley classroom is another one of my favourite classes, which is just as well, because I spend a lot of time in there each day. I like my classroom because it is colourful and the air conditioning is really cool on hot days.

The students in Stage 3 like the senior area between the classrooms, where you can complete learning activities or enjoy free time with friends.

Will:

I think Franklin has got the best playground because there's room for everybody to spread out and play sport, or just relax in a cool shady space if they want to. I am often on the football field because I play rugby league and its fun having a game at lunch or recess.

Another one of my favourite places at school is the library. I enjoy borrowing books to read or just going to the library

for some quiet time. I like the colourful displays and art and craft work in the library.

I am in Oxley this year and my classroom is bright and airy. There's lots of room and it has colourful furniture in the learning spaces.

Everyone at school loves the Gym equipment and sandpit area. It's covered with a large shelter so rain or shine it's a good place to play. And even though we are in Year 6 we reckon you're never too old to have fun there.

Is a playgroup for families who have any concerns about their child's development. Or their child has a disability aged from 0- 16

FRI

Program and training dates to be advised.

All of our programs/playgroups are FREE !!

MyTime

supporting parents of
children with disabilities

At Tumut
SaCC,
Franklin Ps,
Capper St,
ph-69476961

**MyTime is a supported playgroup
to assist families with children's
development
Thursdays 12pm - 1.30pm**

Mytime is a program which facilitates peer support groups across Australia for mothers, fathers and carers of children (aged between birth to 16 years) with a disability, developmental delay or chronic medical condition. Its a great way to get to know other families and learn from each other.

Please come along if you have any concerns about your child's development. Information and support will be provided to assist with their language, social and emotional skills, as well as motor and cognitive development.

My Time groups bring families together!

A play helper is provided to engage children in fun learning activities, so members can meet and talk with others.

Community Centres**

'Keeping Safe in the Game'

On Thursday (Safer Internet Day) Stage 2 participated in a virtual classroom called 'Keeping Safe in the Game'. We were able to have our own discussions guided by our host teacher and then share our thinking online with other schools.

-visit <https://www.esafety.gov.au/kids>
-Contact Kids Help Line online <https://kidshelpline.com.au> or call 1800551800

Keep safe in the game everyone!

Lawson in Action

Here students from Lawson are absolutely loving their turn on the giant swing at Milson Island. It was extremely fun and pushed most of them out of their comfort zone.

The students from Lawson got to experience a range of activities from Archery, Abseiling, High ropes course, Bushwalking, Orienteering, a range of night activities, cook your own food, fencing and bike riding.
