Miss Nixon this term. We have also enjoyed reading some beautiful new factual texts about all kinds of bugs and mini-beasts in our L3 Engine Room. **Jorja & Isabella**

We have been focusing on imaginative writing during our writing lessons in Term 3. Here is **Ryley** proudly sharing his amazing story with **Sophia and Bobbie-Lee**.

We recently read an inspirational picture book called '**Say Something**' by Peter Reynolds.

The book illustrates the fact that we all have something important to contribute to the world if we are brave enough to say it. Each of the students created their own special message and poster in response to the text. Here are the posters created by **Isabella, Patrick & Heidi**.

CELEBRATING FRANKLIN!

Walk-A-Thon

Franklin are holding a Walk-A-Thon **this** Friday, September 11th (weather permitting). This event is in conjunction with Walk To School Day which has been modified due to Covid-19 restrictions. All laps will be completed on the school oval. Students are to wear their **sports shirts** on this day **INSTEAD** of Thursday.

The sponsorship cards for the Walk-A-Thon were sent home two weeks ago. If your child needs a new form please ask them to get one from the office. We do **NOT** encourage students to door knock or approach strangers for sponsorship - but support from family and friends is appreciated.

Stage 3 will walk their laps from 9 to 10.30am, maximum of 30 laps.

Stage 2 will walk their laps from 12 to 1.30pm, maximum of 20 laps.

Stage 1 will walk their laps from 2 to 3pm, maximum of 10 laps.

Students who raise over \$20 in sponsorship money will be drawn out of a hat and two lucky students from each stage will win a **\$50 Toyworld voucher** donated by the P&C.

Fruit and Veg Month 2020

Our school will be participating in Fruit & Veg Month 2020.

The theme for this year's event is '**Planet Fruit & Veg!**'

We need to take better care of ourselves and the planet, so let's teach our kids to eat more fruit and vegetables, to choose local and in-season produce and not to waste fresh food. This year's Fruit & Veg Month is all about looking at fruit and vegetables through the lens of sustainability.

Fruit & Veg Month 2020 runs for the last four weeks of Term 3 – from Monday 31 August to Friday 25 September.

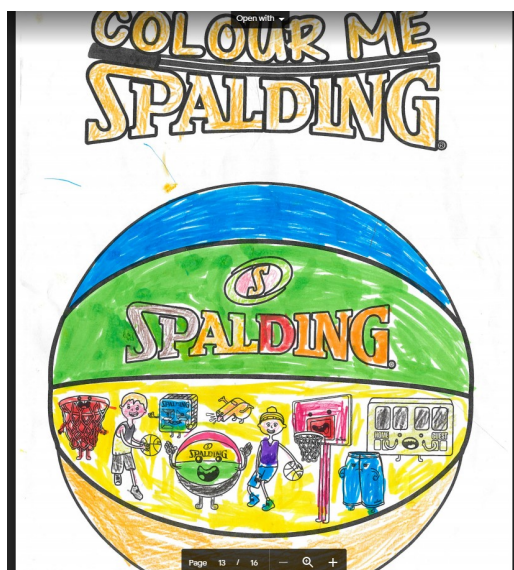

As part of Fruit & Veg Month, students will be involved in various classroom and school-based activities which encourage them to eat more fruit and vegetables.
