TERM 3 | Monday 14th September 2020 | ISSUE 9

Week 9 Becoming Mathematicians

Partitioning is a way of working out maths problems that involve large numbers by separating them into smaller parts so they are easier to work with.

Year 6 Parents:

Please drop your **Year 7** enrolment documentation to Tumut High School as soon as possible. There is a black mail box on the front fence where these documents can be safely and securely dropped.

Riding Safely to School

Thank you to those parents who are safely walking with their bike and scooter riding children to school each day. Children under the age of **8 years** should not be allowed to ride to school unaccompanied. It is great to see Franklin students being safe on our roads this week.

CELEBRATING FRANKLIN!

Tell Them From Me Survey

This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carers views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted over Term 3 and early Term 4. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>. To access the survey for our school go to: <http://nsw.tellthemfromme.com/jc7vb>

The survey is available in 23 languages. *We have also put the link for this survey on our Facebook page and in Skoolbag.*

Franklin Walk-A-Thon

School Band

If your child is in band, please make sure they bring their musical instrument to school every Wednesday.
