TERM 4 | Monday 13th December 2021 | ISSUE 11

## Christmas Message from our Principal

Education is the foundation of life's successes and at Franklin PS our mission is to guide, encourage and support all students to reach their highest potential. Franklin provides a rich and stimulating curriculum to develop the whole child, to expand their knowledge and skills while at the same time nurturing new and untapped talents. This year staff have challenged students to do their best in all areas of the curriculum even during the added trials of Covid lockdown, and Franklin students have risen to the task.

I would like to commend students for excellence in academic, sporting and cultural areas and also acknowledge the commitment and dedication of staff at Franklin. I would also like to applaud the positive manner in which parents assisted students achieve personal goals and success in their learning both at school and at home.

To our Year 6 graduates I extend my best wishes for your future. I know you will carry fond memories of your time at Franklin always.

Finally I would like to wish everyone a safe and happy Christmas and New Year and I look forward to seeing returning Franklin students in February 2022 for another year of exemplary learning. Carmel Stuckey.

**'yanhanhadhu'**

**Goodbye**

**Franklin Year 6, 2021**

On behalf of Mrs Stuckey and all Franklin Staff and students we wish you all the best for High School. We hope you have many good memories of your time spent at Franklin. We will miss your smiling faces!

## Flinders in Action

Flinders have been really busy with their writing this week; they have been creating their own narrative stories. They have drawn their own settings, characters and planned out their stories.

## FRANKLIN STARS — Week 11

Students who follow our PBL school values of:

**RESPECT ~ ACHIEVEMENT ~ SAFETY**

**Seth  
Chisholm**

**Billie  
Oxley**

**Evie  
Hume**

Students from Flinders have also been enjoying Christmas art this week and have painted their own Christmas trees and winter backgrounds. They have also enjoyed STEM activities this term.
