Farewell

Franklin Year 6 2022

We wish you all the best for High School!

Thank You Mrs Stuckey

When this term ends it will be the end to an era at Franklin Public School as Mrs Stuckey retires from her role as Principal. From the time Mrs Stuckey accepted the position of Principal in 2014 her impact on every aspect of this school has been significant.

Under Mrs Stuckey's leadership Franklin is the envy of many schools, with wide open green spaces, innovative learning areas and well-resourced classrooms that feature state of the art technology. However, Mrs Stuckey has always identified students as the 'core business' of Franklin and during her time as principal she has facilitated the development and implementation of innovative and creative programs to support the learning and wellbeing of all students. Mrs Stuckey has shown empathy and compassion for students and their families and has worked with them to support their children's educational and emotional needs.

Likewise, staff have benefitted from continuous support so they are able to access professional learning and work collaboratively to deliver high quality learning programs.

Our school motto 'Together we Learn' has been embraced and highlighted during Mrs Stuckey's time as Principal and as she embarks on the next exciting phase of her life we say thank you to her and hope that she leaves with a well-deserved sense of achievement and pride for all she has done for Franklin Public School.

Goodbye and congratulations on a wonderful career in public education.
